

The **SORB^{®XT}**-team wishes
you a nice summer.

After a few exciting and successful weeks, we are also taking a short break from the trade fair.

Already in September we will start again at the next fair.

We will inform you about further details.

We are already looking forward to meeting you again soon and having nice conversations.

Of course we are still available. Please feel free to contact us!

SORB[®]XT Multi-Absorber and Stain Solution Pro ECO - Our products in test

We use our time away from the trade fair for small-scale experiments and put them to the test when they are pitted against crude oil, polymers and kerosene.

Take a look at our new videos and let us show you the great capabilities of these two products.

Click here for our YouTube channel:

What our users say:

>90%

of all substances
we test are
absorbed."
