**Annual review 2023**

In these turbulent times when the whole world is facing major challenges, we would like to take a moment and reflect on what makes us strong as a community.

Together let us include these people who are currently experiencing difficult situations in our thoughts.

We wish you a peaceful festive season and a happy and pleasant time with your loved ones.

Recharge your energy and gather new and positive ideas for the coming year.

Merry Christmas and here's to lots of successful adventures in 2024.

# Exhibition calendar 2024

We will be on the road for you again next year.
