

NEW!

SORB[®]XT TARPULIN

Safe from leaks with our antistatic Tarpaulin fabric!

To effectively combat leaks even in hard-to-reach places or where it is difficult to place a containment tray, we transform the traditional tray into a flexible tarpaulin. As a result, you are ideally equipped to safely contain even the most tricky leaks.

Whether in the event of unforeseen spillages or leaks, our SORB®XT containment tarpaulin is the answer to leaks. Its impermeable construction ensures that no liquid can escape.

New central warehouse for barriers and special maritime solutions

Our brand new warehouse for barriers and special maritime solutions will be opening soon! From now on, we will be able to process your orders even faster and more efficiently. Your delivery arrives almost at the touch of a button!

Whether you need protective barriers, pillows or one of our many other maritime solutions - we always have the right product in stock!

New flyer, same quality

We have improved our flyer!
Now you can gain an insight into almost our entire product portfolio in just one document.

May we send you our freshly printed product overview?
Do you have an enquiry or would you like to arrange a presentation?
We look forward to hearing from you.

Hello Detroit

Kirsten and Torsten are currently representing us at the Lubricant Expo in Detroit. From breakthrough technologies to proven products, we have everything to meet your needs and give you an insight into the future of the industry.

We will keep you up-to-date!

The whole SORB®XT team wishes you a happy Easter!

If a little colour goes off while dyeing eggs, remember how you master the small and large spills as you work with great panache. 🐰 🥚 🌸 🧑🏻

Enjoy the holidays and use the time to relax with your loved ones.

With warm and sunny greetings from our entire team!
SORB®XT
